

# Not sure where to start?

We asked members of STARboard, Make-A-Wish UK's youth advisory board, for some fundraising ideas to help inspire you...

## WEAR WHAT YOU WISH

Have a non-uniform day at your school or a fancy dress day at work. **Make it fun - why not have a pyjama day!** Have everyone donate to take part.

## TAKE ON A CHALLENGE

Get your local running group involved or organise your own sponsored walk or run. If that's not your thing, **why not try sponsored star jumps** with your school or youth group?

## COFFEE MORNING

Enjoy a coffee morning at home or at work. You could ask people to donate to take part or hold your own baking contest where people donate to enter.

## BINGO

Bingo works great both in person and online. Ask for £1 to play and get the balls rolling!

## MOVIE NIGHT

Hold a fundraising film night for you and your friends.

**Get everyone involved!** Encourage your school, work, local youth group or your friends to take part to take your fundraising further!

# SHARE YOUR FUNDRAISING WITH THE WORLD!

Without people like you raising money, Make-A-Wish wouldn't exist. We love to shout about all of your amazing work so don't forget to share your fundraising efforts!

Take a video of your fundraising in action. Show us the highlights or document your whole journey!

Take lots of photos! Just make sure you have permission to photograph people other than yourself. Big smiles please!

Share your fundraising with us on social media @MakeAWishUK

## Fundraising checklist

- Decide on your fundraising idea (turn over for some more inspiration)
- Finalise when and where your event will take place. Remember to gain any permissions you may need.
- Start collecting donations! You could make an online fundraising page.
- Spread the word! Tag @MakeAWishUK and use #LightUpTheDarkness to join the community and see what others are up to.
- Pay in your fundraising to turn your pounds into wishes!
