Overview

In this article, we will discuss how to join an instant meeting through an email invite.

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app. Otherwise, you will be prompted to download and install Zoom when you click a join link.

You can also join a test meeting to familiarise yourself with Zoom.

Prerequisites

- Each meeting has a unique 9, 10, or 11-digit number called a meeting ID that will be required to join a Zoom meeting
- If you are joining via telephone, you will need the teleconferencing number provided in the invite.

iOS

1. Open the Zoom mobile app. If you have not downloaded the Zoom mobile app yet, you can download it from the App Store.
2. Join a meeting using one of these methods:
   - Tap **Join a Meeting** if you want to join without signing in.
   - Sign in to Zoom then tap **Join.**

3. Enter the meeting ID number and your display name.
   - If you're signed in, change your name if you don't want your default name to appear.
   - If you're not signed in, enter a display name.
4. Select if you would like to connect audio and/or video and select **Join.**
