

## Overview

In this article, we will discuss how to join an instant meeting through your landline telephone.

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app. Otherwise, you will be prompted to download and install Zoom when you click a join link.

You can also [join a test meeting](#) to familiarise yourself with Zoom.

## Prerequisites

- Each meeting has a unique 9, 10, or 11-digit number called a [meeting ID](#) that will be required to join a Zoom meeting
- If you are joining via telephone, you will need the [teleconferencing number](#) provided

## Telephone

1. On your phone, dial the [teleconferencing](#) number provided in your invite.
2. Enter the meeting ID number when prompted using your dial pad.

**Note:** If you have already joined the meeting via computer, you will have the option to enter your 2-digit participant ID to be associated with your computer. If you have not joined on your computer, simply press # again when prompted to enter in your participant ID.
